Parenting 4 Early Years

Sundays Feb.1st-March 8th

Time: 5pm-6:30

This bible study is for parents of children ages 3-9. Often we depend on the latest parenting strategies and social do's and don'ts to guide us to achieve "Good Parenting". But do we turn to our Holy Father for parental guidance? In this bible study we will

focus on how we as parents can instill biblical traits in our children and teach them spiritual responsibility. This is a 7 week study that meets every Sunday. Workbooks are \$5.

Children's Choir will be available for children 3-10 during the time of the Bible study.

Psalm 25: 4 Show me your ways, O LORD, teach me your paths; 5 guide me in your truth and teach me, for you are God my Savior, and my hope is in you all day long.

Recycling 4 Green

January 11th-March 4th

The Children's Ministry will raise funds and awareness with the Recycling 4 Green Fundraiser. The ministry will be collecting used, broken, old electronic devices so that they might be disposed of properly. After collecting the items we then send them to Recycling 4 Green (they offer free shipping) and then they pay us for the items. This fundraiser helps us teach the children their responsibility to care for God's awesome creation. In Genesis 2:15, after creating man and planting Eden, God "put man in the garden to care and work for it." Then He made woman as his companion and helper. Caring for creation was our first task assigned by God. We will offer collection boxes that can be placed in local businesses. If you know of a business that would like to support the children's ministry by hosting a collection box please call Jan Culpepper for more information.

"Live life with a due sense of responsibility, not as those who do not know the meaning of life, but as those who do." Ephesians 5:15(PH)
